Work Experience

Director of Information Technology 08/2017 - Present: Colton Joint Unified School District, Colton CA

Work collaboratively with all levels of staff and management to promote the effective use of technology in the classroom and throughout the organization. Work with leaders in education and participate in industry groups to help foster technology innovation and growth. Research new trends and solutions to ensure safe, reliable, equitable access to information to promote learning objectives in support of the District's mission and vision.

Assistant Director of Technology 09/2015 - 08/2017: Perris Union High School District, Perris CA

In addition to the duties of the IT Supervisor below, provided leadership and worked collaboratively to promote the effective use of technology. Worked with leaders in education and participated in local, regional and larger groups to help foster technology innovation and growth. Researched new trends and solutions to ensure safe, reliable, equitable access to information to promote learning objectives in support of the District's mission and vision.

IT Supervisor 04/2014 - 09/2015: Perris Union High School District, Perris CA

Manage the operations of and supervise an IT department supporting a 1:1 program. Ensured that infrastructure was maintained and continuously improved to provide 24/7 learning opportunities for students. Managed a large WAN with redundant fiber optic links, disaster recovery site and campus wide WiFi. Provided training for IT staff to grow and develop professionally. Acted as a bridge between the demands of education and the technical intricacies of IT.

Network Engineer 06/2013 - 04/2014: Perris Union High School District, Perris CA

Instrumental in the successful implementation of a district wide 1:1 program providing Chromebooks to over 10,000 students. Ensured that infrastructure was in place to provide internet access to students. Continually worked to improve access, reliability and security of network resources. Provided technical and customer service guidance and resources to helpdesk and site based technicians.

IT Tech I 06/2006 - 06/2013: Perris Union High School District, Perris CA
